

Exploring Clay with organicARTS

AT WEST TOWN FARM

IDE

NR EXETER

EX2 9TG

Sunday 14th March at 2pm.

COMMUNITY CLAY WORKSHOP MEETING.

For anyone interested in becoming involved in developing our Community Clay Workshop (including a pottery). We have already set out a rough plan of activities and workshops involving clay for 2010. Come along and get involved or develop ideas of your own. If you can let us know in advance that you are coming please e-mail Christine@organicarts.org.uk, but come along at the last minute if you can't give us advance notice – you might just miss out on a slice of cake though!

Sunday 25th April 10.30am

WALK FOR ARTISTS.

This is the first of two walks for artists. It is open to all but directed at those who would like to EXHIBIT work at the farm during DEVON OPEN STUDIOS in September. All the work exhibited will link with the clay at the farm in some way (it can be a very tenuous link!). Artists who exhibit will be expected to attend at least one of the walks (second walk Sunday 27th June). The walk will take you to some of the places on the farm where clay is found and give you some information about West Town Farm, the farming and its environment. Lunch will be provided after the walk for £4 per head (soup, bread, cake) which must be booked – Christine@organicarts.org.uk (special diets catered for if informed in advance)

Sunday 25th April 2pm

COB SCULPTURE WORKSHOP.

Lucy Rockliffe will lead a workshop using cob to create a community sculpture for our community garden (possible including a seat). Costs £3 per adult; £2 per child. Please wear old clothes and wellington boots and bring gardening gloves if possible.

For further details of any of these events please contact Christine Duff.
